

Curriculum Vitae and Publications

Prof. dr. Soad Shaker Ali

Pprofessor of histology, cytology and molecular biology ,

Personal Data:

Name: Soad Shaker Ali.

Present Position: Professor of cell biology and histology

Institute: (assistant professor) in Faculty of medicine ,Merit University,Soahge , Egypt.

Gender: Female

Date of Birth: October ,7,1950.Assuit , Egypt

Nationality: Egyptian.

Marital Status: widow and had 5 sons .

Contact Details:

Permanent Mailing Address (Work): Department of histology, faculty of medicine, Merit university, Soakage Egypt.

Mobile Phone: +0201067754089

e-mail: soad.shaker@merit.edu.eg / soadshaker@gmail.com.

Orchid : (<https://orcid.org/0000-0002-2434-2027>

Skills:

- Expertise in preparing, reading and photographing microscopic slides by both light and electron microscopy
- Immunohistochemical techniques
- Dealing with researches in tissue culture and cancer research
- Experimental histology researches in effects of new drugs , nanotechnology and herbal medication
- Experienced in dealing with different computer software (Microsoft word, Microsoft Excel, Adobe Photoshop and Microsoft Power Point)
- Internet navigates especially medical web sites.

Degrees Obtained:

- **1985:** Ph.D. in histology in 1985 “Histochemical & Ultrastructural Changes In Rat Pineal Gland Under Some Experimental Conditions
- **1998 :** Master in histology (first part pathology) “{very good).
- **1979 :**Master in histology (special) in 1979 “{Excellent degree} thesis address(Histology & Histochemistry Of Human Prepuce In different age

Academic share :

- Professor of histology , Faculty of Medicine, KAU University, Jeddah (2012–2020). Anatomy department
- Associate professor of histology , Faculty of Medicine, KAU University, Jeddha (2008 –2012). Anatomy department
- Associate professor of histology, Faculty of Medicine, KAU University, Jeddha (1993 –2008) . Medical Biology department (Cytology- Genetics –Histology)

- Associate professor of histology , Faculty of Medicine, Assiut University, Egypt (**1990-1993**)
- Lecturer of histology, Faculty of Medicine, Assiut University, Egypt (**1985- 1990**)
- Previous jobs and dates:
 - * Intern physician , Assiut University Hospital (1st of March, 1974- 1975).
 - *General practitioner, Ministry of Health in Assiut
- Demonstrator in histology Department (**1976-1985**)
- Assistant Lecturer of histology , Department of Physiology, Assiut University, Egypt (**1994-1999**).
- Post-doctoral researches in experimental histology regarding effects of drugs , environmental factors , and herbs on respiratory, central nervous system, urinary system, , reproductive and endocrine organs .
 - Contributing examiner to many master and ph.D theses

TEACHING EXPERIENCES:

- Postgraduate teaching histology to student of master degree of neurology and chest in Assiut University Egypt .
- Postgraduate teaching histology to student of master and Ph D degrees KAU Jeddha Saudia Arabia (attached files)
- Undergraduate courses in cytology and histology to first and 2nd year Medical collage students Assiut university , Egypt (2 hours per week) from 1985-1992.
- Undergraduate courses of histology to Pharmacy and Nursing students Assiut university (1 hour per week) from 1985-1992.
- Undergraduate courses in histochemistry and histotechnique to fourth year students college of scienc Sohage University .Egypt
- Undergraduate courses in medical biology and genetics more than 10 years in medical biology department ,Fac of medicine KAU Jeddha Suadie Arabia
- Undergraduate courses in histology for 2nd& 3rd grade medical students in fac of medicine ,Anatomy department KAU.

- Undergraduate courses in histology for 2nd Pharmacy and Nursing and Dental students students in fac of medicine ,Anatomy department KAU.
 - Teaching histology ,immunohistochemistry and histotechnique to student of master degree Of technical anatomy Faculty of meicine KAU.
 - Undergraduate courses in histology for the first , second grades ,faculties of medicine and Pharmacy ,histology
 - department, Merit university , soakage ,Egypt.
 -
- :
- MEMBERSHIPS:
 - Member of Egyptian histology Society, 1985- till now)
 - Member of Saudi Society for microscopy 2010-2011
 - Member of Saudi biological Society 2004-2010
 - Member of Saudi nanoparticles Society 2011
 -

قائمة الأبحاث من ٢٠٢١ إلى ٢٠٢٢ في مجال الطب النبوي

باسم كلية الطب جامعة ميرت

Article 1:

Acrylamide-Induced Ovarian Toxicity in Female Wistar Albino Rats

Nagwa M Elsawi 1*, Mounir A. A. Mohamed 1, Shymaa A. Th. Abo Kresha1, Ahmed Khorshed2, Wejdan, A. Aldajani3, Soad Ali 4,5
